

# WEEK 5 REMINDERS!

## Camp Kinneret Highlights

July 15 - July 19

Dear Friend,

We had an awesome Week 4 and are looking forward to an even more amazing Week 5! Please read through this email for information and reminders about the week ahead!

### DID YOUR CAMPERS MISS TIE-DYE LAST WEEK?

We tie dyed shirts in Arts & Crafts last week! If your camper was absent or forgot to bring their shirt on tie dye day, there will be a chance to make it up next week. Just send a white shirt in their backpack and remind your camper to ask their counselor to take them to Arts & Crafts for tie dye!

PLEASE WRITE YOUR CAMPER'S FIRST & LAST NAME ON THE TAG!

### TUESDAY IS CRAZY SOCK DAY!

If your camper will be at camp this Tuesday, 7/16, and would like to participate, send them in their craziest socks!

### THIS COMING WEEK IS THE LAST WEEK OF SESSION ONE!

It is hard to believe that Session One is drawing to a close this Friday; it seems like just yesterday that we were having our first Good Morning Mountain! We would like to take this opportunity to say a special goodbye to all of the campers who will be leaving camp and heading off to other fun summer activities. We hope to see you all at camp next summer! During the fall, you can look forward to receiving a special copy of the Kinneret Highlights – Fall Edition that will be written by all of our counselors. We will also send campers their group picture in December.

### IMPORTANT INFORMATION FOR FAMILIES CONTINUING IN SESSION TWO

#### Session Two Begins on July 22nd

Session Two will begin next week (*July 22nd – August 16th*). Along with all of our continuing campers, we look forward to welcoming our new Session Two campers who have been off doing wonderful summer things during the first half of the summer. These campers will be joining camp groups and bus routes starting next Monday and Tuesday.

**Just as the first couple of days of the first session took a few extra minutes for children to board the bus in the morning and get off the bus in the afternoon, the same will be true for Session Two. Please be patient if the bus is running a few minutes behind on the first couple of days. Once new campers learn the routine (you can help them at the stops) and staff get to know the people to whom our new campers will be released in the afternoon, we should run right on schedule.**

### SESSION TWO ENROLLMENT

If you are interested in extending your camper's enrollment into Session Two, we still have some space available in some groups. If you have friends who are interested in joining us, please have them call the office to inquire about space before completing an application. Please call the office today for more information!

## A WONDERFUL SLEEPOUT

What a great night!!! The Great Kinneret Sleepout 1 was a huge success for all in attendance. From our 4-year-olds to our 14-year-olds, this special event was filled with good times. As always, camper skits were very creative this year and lots of fun. Afterward, we transitioned into our traditional campfires, complete with stories and songs, and then fell asleep under the stars. Even a quick drizzle didn't dampen the fun of the night - most campers slept right through it!

We hope that all of the campers that participated enjoyed their Sleepout experience. For some it was their first night away from home. For others it was the first time they'd slept outside (same for some of our staff!). A special thanks to everyone for making it a fun night for all.

## NASA'S JPL HAD US REACHING THE STARS!

Our Condor groups had the chance to study the planets and stars with some friends from NASA's Jet Propulsion Laboratories (JPL) at Sleepout. Three physicists set up high-powered telescopes, shared stories about the galaxy and we got a fantastic view of the skies. The night was a little cloudy, but we enjoyed great perspectives of some stars and close-up views of the moon!

## LOST ANY ITEMS THIS SUMMER?

We'd love to get those belongings back to you! We do our best to get labeled items back to their owners, but when there are no names, it makes it very difficult to help. Items like bathing suits and towels often go unclaimed. Please help us by clearly labeling your child's camp clothing and other items with a first and last name. Also, if you ever realize your camper has brought home someone else's item, please send it back to camp and we will connect it with its owner!

We've posted pictures of items that have been left at camp in hopes that we can get them back to their family before the session is over. Our Session One Lost & Found Gallery is online and we've posted pictures of any unlabeled items for you to browse through. Claimed items, as well as items that were labeled with camper names, will be returned to campers. Any items that are unlabeled and unclaimed by the end of summer will be donated.

*(Week 4 Lost & Found photos will be posted early next week!)*

## GET A GLIMPSE OF CAMP!

We've had a great few weeks and love sharing a glimpse of the fun we've had! Each week we have been posting our collection of photos on a password protected site for families who are enrolled in Session 1. Please enjoy the photos and keep the password private.

While we try to get a diverse collection of photos, we know we likely missed some campers and groups along the way.

The password is 'ck24s1!'. You can find the photos here: [ck.camp/s1\\_photos](https://ck.camp/s1_photos)
