

CAMP IS OVER... AND WE ALREADY CAN'T WAIT 'TIL NEXT SUMMER!

Dear Friend,

Summer 2024 was another awesome one and we're so sad it's over! Here are some reminders for the upcoming months...

Fall Highlights

Keep an eye out in the fall for this extra special edition of the Highlights. It's written by your camper's counselors and specialists!

Group Pictures

We'll mail copies of your camper's group pictures in December.

Campership Fund

Did you know we have a scholarship fund, administered by **Educating Playfully, Inc.** (a 501c3 organization)? This program helps us support the mission of getting more children from our community into camp.

Through the assistance of Camp Kinneret families and staff members who have donated to our campership fund, virtually every group had at least one camper attend this summer through this program. If you'd like to help us continue this mission, please consider making a tax-deductible donation! You can make the donation in 3 ways:

1. Make a donation online by [clicking here](#).
2. Call the office to provide a credit card.
3. Send us a check made out to *Educating Playfully, Inc.* and include Camp Kinneret in the memo section. Our mailing address is: Camp Kinneret, PO Box 329, Agoura Hills, CA 91376.

In any case, you will receive a charitable contribution acknowledgement for your tax records.

See Your Campers at Camp! Check Out the Photo Galleries!

Throughout the summer, we've been taking and posting pictures of all of the fun our campers are having. Hopefully you've been following along as we posted new photos each week, but if not, you can still see them! All of the photos from Session One, Session Two, and both Sleepouts are posted on our website. We hope you enjoy seeing all of the fun we were having!

Lost and (hopefully) Found

Our Session One and Two Lost & Found Galleries are still online! We've posted pictures of any unlabeled items for you to browse through. Let us know which items are yours and we can arrange for you to swing by camp to pick them up. Any items that are unlabeled and unclaimed by the end of summer will be donated. Enrollment for Summer 2025:

Mark your calendars and remember to submit your applications for next summer starting in January!

Returning Camp Kinneret families have priority when it comes to registering for next summer during the month of January. However, we do enroll returning families in the order in which we receive your application so get them in early!

Here is how the priority enrollment period for returning families works:

1. Enrollment information will be emailed to you at the end of December.
2. Submit your application to us by January 31st and it will be processed before any new family applications.
3. Returning family applications are processed in the order in which they are received. Some day combinations in some groups begin to form waiting lists during the priority period, so submitting your application earlier in January increases the likelihood (though doesn't guarantee) that your desired space will be available.
4. Beginning mid-January, new families will be able to submit applications which will be held in order and processed beginning in February. Returning families applying after January will be processed alongside new families on a first-come, first-served basis.

We encourage you to submit your application in January even if you are unsure of your summer plans. Our refund policy allows you to receive a full refund of your deposit if your plans change by the deadline, which will be indicated in your enrollment packet. If your camper has friends who would like to attend Camp Kinneret in 2025, please have them contact us for information about applying!

We wish all of our campers a healthy, happy school year full of exploration, discovery, and fun!
